

River Herring Technical Expert Working Group

May 28, 2014

<i>Last Name</i>		<i>Affiliation</i>	<i>Expertise</i>	<i>Subgroup(s)</i> (Includes Potential Interest)
<u>Federal</u>				
<i>First Name</i>				
Mike	Alexander	NOAA, Earth System Research Laboratory	Climate science	Climate Change
Michael	Bailey	United States Fish and Wildlife Service	Fish biologist	Stock Status, Genetics/Hybrids/Landlocked Populations, Habitat, Fisheries
Diane	Borggaard	National Marine Fisheries Service Greater Atlantic Regional Fisheries Office	Proactive conservation	Climate Change, Stock Status, Fisheries
Frank	Borsuk	U.S. Environmental Protection Agency, Region III	Fisheries and Climate change	Climate Change
Kiersten	Curti	National Marine Fisheries Service Northeast Fisheries Science Center ^{2,4}	Population dynamics	Stock Status, Fisheries
Kim	Damon-Randall	National Marine Fisheries Service Greater Atlantic Regional Fisheries Office	ESA, Diadromous fish	Genetics/Hybrids/Landlocked Populations, Species Interaction
Ruth	Haas-Castro	National Marine Fisheries Service Northeast Fisheries Science Center ⁴	Life history	Fisheries

Jon	Hare	National Marine Fisheries Service Northeast Fisheries Science Center	Fisheries oceanography	Stock Status, Fisheries, Climate Change
Joe	Hightower	U. S. Geological Survey, North Carolina Cooperative Fish and Wildlife Research Unit	Population dynamics	Stock Status
John	Furry	U.S. Army Corps of Engineers, South Atlantic Division		
Jenine	Gallo	U.S. Army Corps of Engineers, New York District	Marine ecologist	
Peter	Kube	U.S. Army Corps of Engineers, Norfolk District	Habitat and Permitting	Habitat
Stephanie	Lamster	U.S. Environmental Protection Agency, Region II	Conservation biology	
Wilson	Laney	U.S. Fish and Wildlife Service, Southeast Regional Office ^{2,3,4}	Fisheries ecology	Habitat, Species Interactions and Fisheries
Dennis	Logan	U.S. Nuclear Regulatory Commission	Aquatic ecology	Habitat
Stephen	McCormick	U. S. Geological Survey, Conte Anadromous Fish Research Center	Fish physiology	Climate Change
Eric	Nelson	U.S. Environmental Protection Agency, Region 1	Habitat impacts	Habitat, Climate Change
Carrie	Nordeen	National Marine Fisheries Service Greater Atlantic Regional Fisheries Office ¹	Fishery Policy/Regulations	Fisheries
Fritz	Rohde	National Marine Fisheries Service Southeast Regional Office	Fish biologist	Habitat
Charles	Stock	NOAA, Geophysical Fluid Dynamics Laboratory	Climate and ecosystems	Climate Change
Eric	Summa	U.S. Army Corps of Engineers,		

Jacksonville District

James	Sykes	U.S. Army Corps of Engineers, Savannah District	Reservoir Fisheries	
Desiree	Tommasi	NOAA, Geophysical Fluid Dynamics Laboratory	Fisheries oceanography	Climate Change

State

Hugh	Carberry	New Jersey Division of Fish & Wildlife ⁴	Life History	
Phil	Edwards	Rhode Island Department of Environmental Management's Division of Fish and Wildlife ⁴	Restoration/Monitoring	Habitat
Claire	Enterline	Maine Department of Marine Resources ⁴	Fisheries scientist	Habitat, Fisheries
Ben	Gahagan	Massachusetts Division of Marine Fisheries	Diadromous fish	Stock Status, Fisheries, Habitat
Steve	Gephard	Connecticut DEEP Inland Fisheries Division	Behavior, Restoration	Habitat
Aaron	Henning	Susquehanna River Basin Commission	Taxonomy, Rare species	
Genine	Lipkey	Maryland Department of Natural Resources ⁴	Fish Biologist	Stock Status
Johnny	Moore	Delaware Division of Fish & Wildlife ⁴	Life history	Fisheries
Bill	Post	South Carolina Department of Natural Resources ⁴	Management, Fisheries	
Lindsey	Staszak	North Carolina Division of Marine Fisheries	Life history, Habitat	
Kevin	Sullivan	New Hampshire Fish & Game Department	Passage, Management	Stock Status, Habitat, Species Interaction, Fisheries
Alan	Weaver	Virginia Department of Game and Inland Fisheries	Fish passage, Species monitoring	Stock Status, Habitat

Bennett	Wynne	North Carolina Wildlife Resources Commission ⁴	Anadromous Fish Coordinator	Species Interaction
---------	-------	---	-----------------------------	---------------------

U.S. Federally Recognized and State Recognized Tribes

Edward R.	Bassett Jr.	Passamaquoddy Tribe	Indigenous knowledge	
-----------	-------------	---------------------	----------------------	--

U.S. Scientific/Academic

Lee	Anderson	University of Delaware ²		
Dave	Bethoney	University of Massachusetts – Dartmouth	Bycatch, At-sea life history	Fisheries
Tim	Brush	Normandeau Environmental Consultants	Fish Passage	Habitat
David	Coughlan	Normandeau Environmental Consultants	Landlocked populations	Habitat
Jud	Crawford	The Pew Charitable Trusts/Boston University ²	Fish behavior and Ecology/conservation science	
Kim	de Mutsert	George Mason University	Fish ecology	Habitat, Stock Status
Carolyn	Hall	Independent Researcher	Historical marine ecology	Habitat
Daniel	Hasselman	University of California Santa Cruz	Population genetics	Genetics/Hybrids/Landlocked Populations
Pingguo	He	University of Massachusetts	Fish behavior, Bycatch reduction gear technology	Fisheries
Eric	Hilton	Virginia Institute of Marine Science, College of William and Mary ⁴	Population monitoring	Stock Status, Habitat
Olaf	Jensen	Rutgers University ²		
Adrian	Jordaan	University of Massachusetts – Amherst	Ecology, Populations	Stock status

Les	Kaufman	Boston University	Fishes, Fisheries	Stock status, Species Interaction
Lisa	Kerr	Gulf of Maine Research Institute	Stock structure	Genetics/Hybrids/Landlocked Populations
Karin	Limburg	State University of New York	Fisheries ecology	Habitat, Climate Change
Martha	Mather	Kansas State University, Division of Biology	Fish ecology	Habitat, Climate Change, Species Interaction
Steve	McIninch	Virginia Commonwealth University	Fish ecologist	Habitat
Peter	Moore	MARACOOS (Mid-Atlantic Regional Association Coastal Ocean Observing System) ²	Fisheries liaison	Fisheries, Climate Change
Janet	Nye	Stony Brook University	Fisheries ecologist	Climate Change
Matthew	Ogburn	Smithsonian Environmental Research Center	Estuarine ecology	Stock Status, Habitat
Anthony	Overton	East Carolina University	Early life history, Management	Stock Status, Habitat, Fisheries, Climate Change, Species Interaction
Eric	Palkovacs	University of California-Santa Cruz	Evolutionary ecology	Genetics/Hybrids/Landlocked Populations
Mike	Piebler	University of North Carolina	Water quality	
Roger	Rulifson	East Carolina University	Water quality, Fish ecology	Habitat, Climate Change
Eric	Schultz	University of Connecticut	Ecology physiology	Species Interaction, Genetics/Hybrids/Landlocked Populations, Habitat, Climate Change
Tom	Schultz	Duke University	Molecular genetics	Genetics/Hybrids/Landlocked Populations
Drew	Trested	Normandeau Environmental Consultants	Migration and passage	Habitat
Phong	Trieu	Metropolitan Washington Council of Governments	Herring monitoring	

Theo	Willis	University of Southern Maine	Socio-ecological research	Habitat, Fisheries, Species Interaction
Karen	Wilson	University of Southern Maine	Aquatic ecology/Life histories	Species Interactions, Habitat, Climate Change

U.S. Hydropower

Paul	Jacobson	Electrical Power Research Institute	Fish passage	Habitat
Brandon	Kulik	Klienschmidt Associates		
Benjamin	Lenz	New York Power Authority	Fish passage	Habitat
Robert	Richter	Brookfield Renewable Energy Partners	Fish passage	Habitat

U.S. Fishing Industry

Greg	DiDomenico	Garden State Seafood Association ²	Commercial fisheries	Fisheries
Jeff	Kaelin	Commercial Mid-Atlantic Representative ^{1,2,4}	Atlantic mackerel and herring fisheries	Fisheries
John	McMurray	Charter business owner, One More Cast Charters ^{1,2}	Manager/fisherman	Fisheries
Mary Beth	Tooley	Commercial Northeast Representative ^{1,2}	Atlantic mackerel and herring fisheries	Fisheries
Steve	Weiner	American Bluefin Tuna Association, CHOIR Coalition ²	Commercial fisherman	

U.S. Harvesters

Jeff	Pierce	Alewife Harvesters of Maine	Fisheries, Habitat	Fisheries, Habitat
------	--------	-----------------------------	--------------------	--------------------

Canadian Fishing Industry and Harvesters

Darren	Porter	Commercial Fishing Representative	Fisheries, Habitat	Habitat, Fisheries, Stock Status
--------	--------	-----------------------------------	--------------------	----------------------------------

Conservation/Environmental Organizations

Alison	Bowden	The Nature Conservancy ⁴	Aquatic ecologist	Habitat
Anthony	Chatwin	National Fish and Wildlife Foundation	Marine grant-making	Stock Status, Habitat, Fisheries, Climate Change, Species Interaction
Joseph	Gordon	The Pew Charitable Trusts/Herring Alliance	Fisheries conservation	Fisheries, Species Interactions
Jake	Kritzer	Environmental Defense Fund ¹	Fisheries ecology	

Canadian Scientific/Academic

Trevor	Avery	Acadia University	Stewardship, Biostatistics	Species Interactions, Habitat, Fisheries
--------	-------	-------------------	----------------------------	--

Atlantic States Marine Fisheries Commission and Council Staff

Jason	Didden	Mid-Atlantic Fishery Management Council	Fishery management	Fisheries, Stock Status, Species Interaction
Katie	Drew	Atlantic States Marine Fisheries Commission	Stock assessment	Stock Status
Marin	Hawk	Atlantic States Marine Fisheries Commission	Fishery management	Habitat, Species Interaction, Fisheries
Lori	Steele	New England Fishery Management Council	Atlantic herring fishery management	Fisheries

¹ Also serving on a New England Fishery Management Council committee/group

2 Also serving on a Mid-Atlantic Fishery Management Council committee/group

3 Also serving on a South Atlantic Fishery Management Council committee/group

4 Also serving on an Atlantic States Fisheries Commission River Herring committee/group
